

Bianca

Design: Matti Klenell

Description

Bianca is a family of lamps with a refined decoration on the diffuser surface that features an orderly series of shallow delicate grooves etched into the white glass, yielding an effect resembling small footprints on fresh snow. Mouth blown and dipped in acid to obtain the distinctive 'silk effect' typical of fine glassware, Bianca diffusers are available in different diameters to complete all types of luminaires belonging to the family.

Bianca is available in the following versions: table without stem, floor, suspended, wall-mounted and ceiling-mounted. The matt white coating applied to the various metal supports evokes the name and color of the diffuser. Bianca produces a very warm, diffused and enveloping light emission in the surrounding environment. Made in Italy.

Dimensions

Size A: Ø11"7/8 x 7"1/2H + Cable & Canopy (98"3/8H)
Size B: Ø19"5/8 x 13"3/4H + Cable & Canopy (98"3/8H)
Canopy: Ø5"1/8

Light source:

Size A: LED 17,5W (2700K, CRI>80, 1650Lm).

Integrated LED. Dimmer included.

Size B: 1x max 72W E26.

Dimmer included.
