

# Bilia

*Design: Gio Ponti*

## Description

Nothing more than a sphere, set in an apparently impossible feat of balance, upon a cone that serves as the base. One of Gio Ponti's many compositional magic tricks, designed in 1932. This refined table lamp, available in 2 sizes, features diffused light and a high-end metal frame. Lampshade in white blown glass with satin-finish. Transparent power cable, plug and switch.

The counterbalancing of two elementary geometric forms results in an original, perfectly proportioned object. An unpretentious composition, enriched by the extraordinary balance of its proportions and the stylish discretion of non-reflective materials. The light is diffused and valorized by the geometrical simplicity of the design. Made in Italy.

### Light source:

Mini Bilia: 1 x max 6W G9. Blown glass diffuser. Bulb not included.

Bilia: 1 x max 48W B10 E12. Blown glass diffuser. Bulb not included.
