Design: Carlo Colombo

Description

Armchair with swivel seat, with the back frame in profiled steel and harmonic steel springs that enable the elasticity and make the support ergonomic. The padding is in flexible multi-density polyurethane, covered with fibers, while the base is available in walnut canaletto wood or painted in a bronze color with natural effect. The not removable upholstery is in fabric or leather in one color or in two colors with the external side in leather and the internal one in fabric or leather. Made in Italy.
