

## Drop

### *Description*

The Drop Table Lamp is a sophisticated expression of modern elegance, crafted with precision and care in Italy. Its design features finely worked glass spheres in various colors, each one capturing and shaping the light through its delicate transparency. This thoughtful use of material allows the lamp to emit a warm, gentle glow that transforms any space into a calm and inviting environment.

### *Finishes & Materials*

**Shade:** Glass.

**Structure:** Metal.
