

Polo

Description

The Italian Polo suspension lamp is a refined expression of modern elegance, where clean geometry meets artistic design. The linear shapes of the two vertical uprights that support the structure are gracefully contrasted by the soft, circular forms of the LED rings.

Finishes & Materials

Structure: Metal.

Decorative rings: Methacrylate.

Polo

Dimensions

63"W x 39"3/8D x 19"5/8H

TECHNICAL DATA

12 LED X3 - 36 WATT, 2700K,
LUMEN 3612
110V Different voltage on request
CE Certification
