

Domingo

Design: Wave Murano Glass

Description

Domingo is a refined collection of Murano glass vases that embodies the effortless elegance of vintage design with a contemporary twist. Each piece showcases fluid, organic curves and richly saturated colors that pay homage to the bold, expressive style of the 1970s.

The artistry behind Domingo lies in its ability to capture both nostalgia and freshness, resulting in a timeless aesthetic that enhances any interior. Offered as a set of two vases in complementary shapes, these sculptural pieces bring warmth, character and a touch of vintage glamour to any space. Made in Italy.
