

Fifi

Design: Wave Murano Glass

Description

Fifi is a sophisticated collection of handcrafted Murano glass vases that fuses artistic individuality with modern elegance. Characterized by its eclectic and harmonious silhouette, the Fifi collection stands out for its sculptural simplicity and understated charm.

Offered as a set of three vases in different heights, Fifi invites the creation of creative compositions, whether as a trio or individually in a space. Elegant, balanced, and refined, this collection brings the timeless beauty of Murano craftsmanship to the heart of contemporary design. Made in Italy.
