

Germoglio

Design: Wave Murano Glass

Description

This vibrant collection of Murano glass vases captures the essence of spring, when nature awakens, flowers bloom and the world is awash in joyful colors. Handcrafted by skilled Venetian artisans, each piece features graceful curves and a refined sandblasted finish, evoking the gentle rhythm and renewal of the season.

Their soft texture beautifully diffuses light, while the flowing silhouettes suggest movement and vitality. Radiating a sense of happiness, serenity and natural elegance, these vases bring a fresh and uplifting spirit to any interior. Made in Italy.
