

Sole & Luna

Design: Wave Murano Glass

Description

Sole & Luna is a luxury collection of gigantic and evocative pieces that evoke mythological eras. Adorned with 24k gold leaf, these masterpieces are a truly luxurious and exquisite addition to any space.

The details of these elegant vases are masterfully crafted by skilled Murano glass artisans, featuring delicate patterns and designs that evoke the grandeur and elegance of classical antiquity. The addition of 24k gold leaf elevates these refined pieces to an unparalleled level of opulence and splendor. The contrast between the translucent Murano glass and the shimmering gold leaf creates a beautiful play of light that is captivating and mesmerizing. Made in Italy.
