

Tarco

Design: Wave Murano Glass

Description

This colorful, hand-stretched and sandblasted Murano glass centerpiece is a cheerful and charming work of art that will bring joy and whimsy to any space. This unique piece features a fun and original shape that is sure to attract attention and spark conversation.

The sandblasted finish adds a subtle matt texture that contrasts with its vibrant and playful shape. Each color has been carefully selected to complement each other, resulting in a cohesive and harmonious design. This ornament is a perfect example of how art can bring joy and delight into our lives, with simplicity and style. Made in Italy.
