

Corallo

Design: Studio in Project

Description

The design takes inspiration from the organic curves of coral islands, capturing both balance and movement in its circular form. The hand-ground finish adds a refined texture, shimmering like sunlight reflected on warm waters. When illuminated, the lamp radiates a soft brilliance, offering not only functional light but also a distinctive decorative presence that enriches any interior with elegance and depth.

Made in Italy.

Light source: Strip LED 7,1W - 3000°K - 24 Vdc - SMD 2835 660 lm - life time 50.000 hrs - 1,061 V3
- Energy Efficiency: E - On/Off Switch

Dimmable on request (0-10V or ELV), please contact us for pricing.

Dimensions

Ø11"7/8 x 59"H

Finishes & Materials

Structure: Handcrafted metal.

Disk: Glass with hand ground diamond effect.
