

Moonlight

Description

Mounted close to the surface, it diffuses a gentle, moonlike glow that enhances any room with warmth and refinement. Its elegant sphere turns light into a subtle play of shadows, creating a timeless atmosphere overhead.

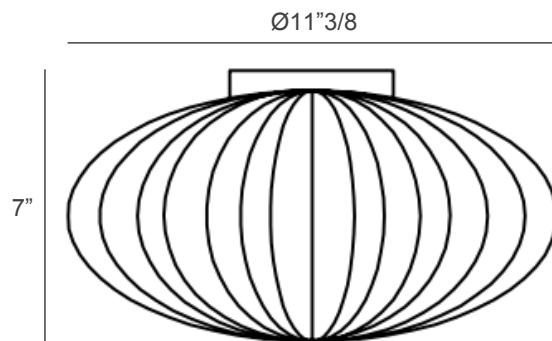

The novelty is the vintage finish, a material consisting of a mix of color and powder, perceptible to the touch and visually. Powder deposition creates unique, different products.

Made in Italy.

Light source: 1 E26 LED x 10W

Dimensions

Ø11"3/8 x 7"H

Finishes & Materials
