

Neva

Design: Daniel Becker

Description

Like icicles forming along a wall in winter, the lamp captures a fleeting instant when low sunlight shatters across the ice, scattering crystalline reflections. This transient beauty is frozen in time and translated into the space of the home. Anchored to the wall by a thin metal frame, it recalls nature's delicate forms while remaining discreet—allowing the glass to take center stage and unfold its luminous effect.

Neva has borosilicate bulb holder tubes, borosilicate tubes with stars section and full Murano glass tubes.

Made in Italy.

Finishes & Materials

Structure: Handmade metal.

Bushing: Brass.

Tubes: Murano glass and Borosilicate glass with and without stars section.

Neva

Dimensions

A) 12"5/8W x 20"7/8H x 3"1/2D - NEVA A6

6 G4 bulbs 12 W - 2700°K - 12 Vdc - 1200 lm - life time 25.000 hrs - SMD type 550 - Dimmable - Energy Efficiency: E

B) 17"3/8W x 20"7/8H x 7"D - NEVA A8

8 G4 bulbs 16W - 2700°K - 12 Vdc - 1600 lm - life time 25.000 hrs - SMD type 550 - Dimmable - Energy Efficiency: E
