

## Riflessi

### *Description*

This Italian luxury suspension lamp creates a striking interplay of light and glass, where delicate spheres and elongated “tip” pendants cascade from above in a dynamic composition. Each glass element catches and reflects the light, evoking a sense of movement reminiscent of falling drops or a starlit sky.

Designed to transform spaces with both scale and atmosphere, it brings a sculptural presence.

Made in Italy.

### *Finishes & Materials*

**Sphere Pendants:** Scholer glass.

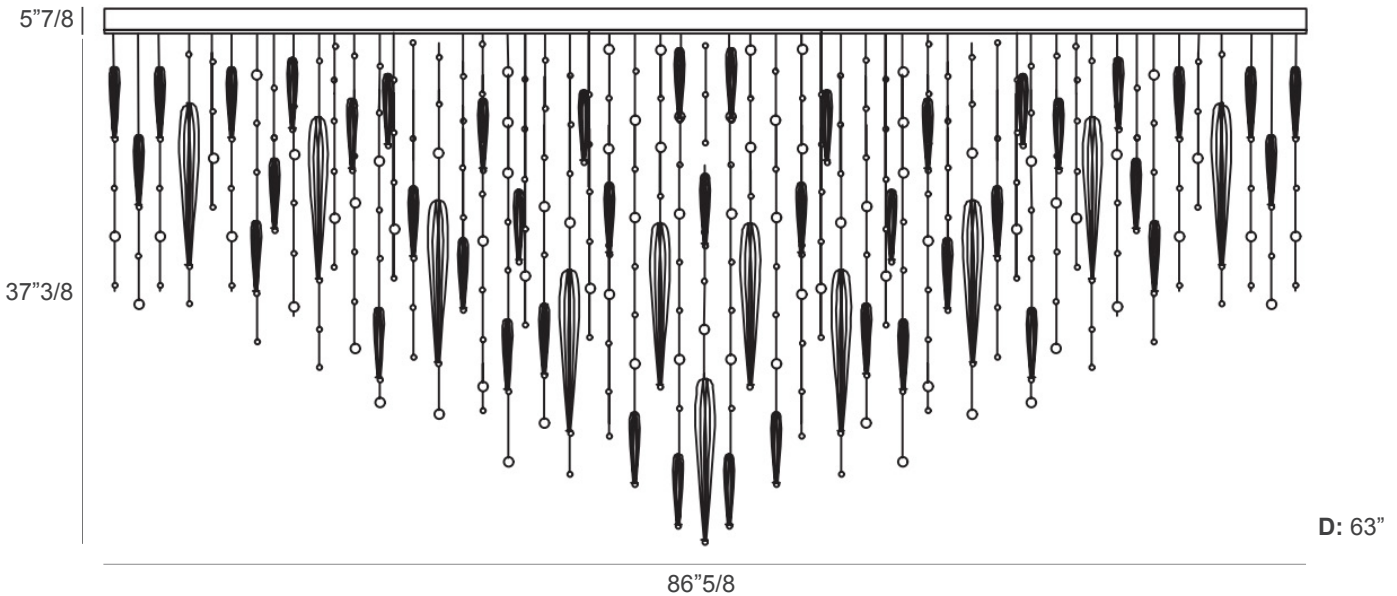

**Tip Pendants:** Veneto glass.

## Reflessi

### *Dimensions*

86"5/8W x 63"D x 37"3/8H + 5"7/8 of Canopy

**Light source:** 61 spot LED - 145W - 12 Vdc - 4500°K - 10370 lm

### **Hook with wooden canopy with lights (I)**

- The height of the lamp is calculated by excluding the hook.
- The wooden canopy houses the lights that illuminate the suspension.
