

Riflessi

Description

This Italian luxury suspension lamp creates a striking interplay of light and glass, where delicate spheres and elongated “tip” pendants cascade from above in a dynamic composition. Each glass element catches and reflects the light, evoking a sense of movement reminiscent of falling drops or a starlit sky. Designed to transform spaces with both scale and atmosphere, it brings a sculptural presence.

Made in Italy.

Finishes & Materials

Sphere Pendants: Scholer glass.

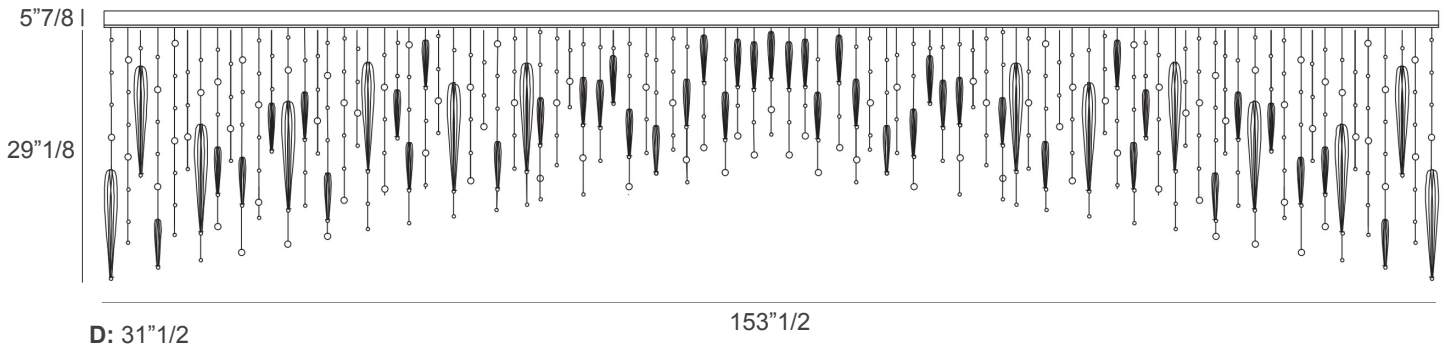

Tip Pendants: Veneto glass.
