

Cut

Design: Francesco Rota

Description

A light and stylized cross base, in minimalist design, gives this CUT chair a new modern look, which is ideal for enhancing elegant environments with a focus on functionality. Made in Italy.

The shell is made out of Baydur® fire resistant polyurethane shell, white or black lacquered, with only the front or fully upholstered with fire resistant foam and covered with fabric, eco-leather or leather. Swivel star base in sandblasted aluminium or powder coated, with an optional self-returning mechanism. Glides in polythene. Made in Italy.
