

Giro

Design: Fabio Bortolani

Description

With its design inspired by industrial stools, also used in technical studios, GIRO adds character even to the most minimalist environments. We can say: it delves into the past while looking to the future.

With a swivel seat and adjustable height with screw. Base in sandblasted stainless steel Aisi304 or powder coated. Foot-rest in stainless steel. Seat in curved plywood in several finishes. Glides in polythene. Made in Italy.
