

## Beverly Round

### *Description*

The Beverly round lounge chair combines elegant design with exceptional comfort. Its solid wood frame provides lasting stability, while a variable-density, non-deformable multi-layer polyurethane foam core ensures optimal support and softness. Fully upholstered in fabric or leather, Beverly allows for customization of style and texture.

The back cushion, luxuriously filled with goose down, offers a soft and inviting feel. A swivel shining stainless steel base completes the composition, adding a refined, contemporary touch. Beverly is the perfect harmony of craftsmanship, comfort and sophisticated style. Made in Italy.

### *Dimensions*

33"W x 33"D x 33" 1/2H
