

# Manhattan

## *Description*

The Manhattan Console is a refined expression of contemporary design, distinguished by its striped stainless steel base that lends architectural character and rhythm, while the top is crafted in 1"5/8" MDF or in luxurious 3/4" marble\*.

A perfect harmony of structure and style, the Manhattan Console embodies modern sophistication and timeless appeal. Made in Italy.

\*The marble top is supported by a black HPL under mount for strength and stability.

## *Dimensions*
