

Manhattan

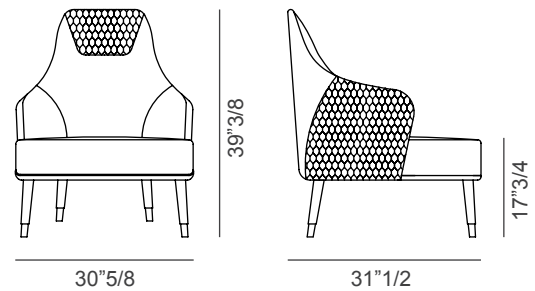

Description

The Manhattan lounge chair features a solid wood frame and beech plywood shell that provide strength and durability, while the non-deformable polyurethane foam ensures long-lasting comfort and an impeccable shape. Upholstered in luxurious fabric or leather, the design is enhanced by a distinctive hexagonal-quilted backrest and headrest that emphasizes its craftsmanship.

Upholstered legs blend seamlessly with the silhouette, while shining steel feet add a luminous touch, completing a sophisticated and inviting chair, an icon of glamorous modern living.
Made in Italy.
