Description

Refined and sculptural, this collection of coffee and side tables embodies timeless elegance. The base, crafted from shining stainless steel, lends strength and a luminous, contemporary presence. The round top is available in a choice of exquisite marble or radiant onyx; each piece is unique with its natural veining and depth. Available in three sizes (two coffee tables and one side table), this versatile low table is designed to blend seamlessly with refined interiors, whether displayed as a standalone piece or layered to create a striking composition. Made in Italy.
