

Windsor

Description

Contemporary and elegant, this collection of coffee and side tables is defined by its monumental cylindrical base made of polished stainless steel, a sculptural element that conveys strength and sophistication. The round top is offered in a selection of exquisite finishes: natural marble, luminous onyx, fine wood, or elegant lacquer, each of which enhances the table's refined character. Available in three sizes, two coffee tables and one side table, the collection offers versatility and balance, whether placed individually or combined in a harmonious composition. Made in Italy.
