

Bisel

Design: Patricia Urquiola

Description

The Italian Bisel side and coffee table is a premium design piece, crafted in multi-layered and multichromatic glass for a striking and elegant visual effect. Each table is created by laminating five slabs of 5 mm extralight glass, each embedded with a different coloured film. This meticulous process results in a stunning play of color, light, and transparency that transforms the table into a true statement of luxury.

Finishes & Materials

Structure: Glass.
