

Ratio

Design: Piero Lissoni

Description

The Ratio desk is a refined expression of contemporary elegance and minimalist Italian design, crafted for those who appreciate subtle sophistication and functional artistry. Composed of cantilevered and overlapping 10 mm tempered smoked glass boxes, each piece is precisely glued at a 45° angle and joined with sleek black anodized aluminum connectors that emphasize the clean, architectural lines of the design.

Finishes & Materials

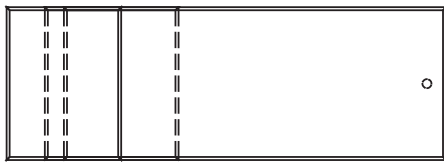

Top & base box: Glass.

Drawer: Wood.
