

Strata

Design: Yabu Pushelberg

Description

The Italian Strata writing desk is a sleek and luxurious piece that combines minimalist design with thoughtful functionality. Crafted from 15 mm thick extralight glass, its curved glass legs support a top that features a seamlessly integrated drawer, entirely clad in tempered glass with lacquered finishes available in either glossy or opaque. Precision-glued at 45°, the construction highlights the clean geometry and refined detailing of the desk.

Finishes & Materials
