

## Alba

*Design: Mariana Pellegrino Soto*

### *Description*

The Alba lighting collection originates from a poetic concept: a single drop of water transformed into light. This elemental inspiration evolves into a versatile family of designer lighting fixtures that balance nature's soft, organic shapes with the clean geometry of contemporary design. The finishes enhance its refined elegance, giving Alba a luxurious lighting presence with strong visual impact.

The wall lamp reinterprets Alba's concept in two forms: one with a tubular support fixed to the canopy, and another, shaped like an upside-down "L". Both highlight the decorative and precious character of luxury designer lighting.

Made in Italy.
