

# Plume

*Design: Christophe Pillet*

## Description

The project conceptually originates from a collection created for the Sezz Hotel in Saint-Tropez through the Oluce Bespoke Tailoring service, later re-imagined in a more ornamental edition. Plume embodies the perfect balance between minimalist design and mid-century inspiration. Its slender, lightweight structure recalls the elegance of 1950s lighting styles, while the use of finely crafted metal enriches the lamp with both a timeless and contemporary character. The defining element of the collection is its distinctive lampshade: a thin sheet of metal, subtly folded at the center to symbolically evoke a feather.

This family of luxury lighting fixtures harmoniously merges sophisticated designer aesthetics with functional beauty, offering a premium statement piece that enhances both modern and classic interiors.

Made in Italy.

## Dimensions

**A)** 5"7/8W x 8"1/4H x 31"1/2D - Cod. 158  
1 x max 40W (E12) - Without bulb

**B)** 5"7/8W x 8"1/4H x 63"D - Cod. 159  
1 x max 60W (E26) - Without bulb

## Finishes & Materials

**Tube-shaped Structure:** Curved metal.
