

## Charlotte

*Design: Shannon Sadler*

### *Description*

Charlotte is the essential bookcase within the world of contemporary furniture — a multifunctional piece that combines the timeless charm of a bookcase with the sophistication of a luxury Italian desk. Elegant and versatile, it transforms seamlessly into an ornamental focal point for any environment, from refined living spaces to modern home offices.

Its adaptable structure lends itself to countless configurations, even functioning as a stylish island for the home office, embodying the perfect balance between aesthetics and practicality.

This luxury home furniture piece includes 3 bookcase modules, 7 standard shelves (3 glass and 4 veneered), 3 storage shelves (with optional micro USB rechargeable lighting), 1 desk top and 1 hole plug kit.

Made in Italy.
