

Charlotte

Design: Shannon Sadler

Description

The Charlotte Corner Bookcase brings a refined architectural presence to contemporary interiors, combining Italian craftsmanship and modern design elegance. Designed to fit seamlessly into any corner space, Charlotte is available in both inside and outside corner configurations, offering versatile solutions for luxury living environments. Perfect for displaying books, decor, or collector's pieces, its wall-fixing design ensures stability while maintaining an airy, minimalist silhouette. The geometric rhythm of the frame and the refined finishes make it a luxury designer home accessory that enhances any modern living room or study with sophistication and character.

This luxury home furniture piece includes a corner bookcase frame, bookcase modules, inside or outside corner glass shelves and standard glass shelves.

Made in Italy.
