

Dada

Design: Pocci & Dondoli

Description

This contemporary chair is defined by its sleek metal frame and gently rounded silhouette, striking the perfect balance between comfort and modern design. Upholstered in soft, high-quality materials, the padded seat and backrest provide ergonomic support while adding a touch of refined elegance. Available in two versatile versions — with or without armrests — it adapts seamlessly to different interiors and uses, from dining rooms to workspaces. A timeless piece that embodies both functional beauty and contemporary style. Made in Italy.
