

Galaxy

Design: Pucci & Dondoli

Description

Galaxy embodies the perfect blend of aesthetics, strength, and functionality, showcasing a design that is both eye-catching and versatile. The graphic pattern on the backrest gives the stool a distinctive, dynamic character, adding a touch of modern elegance to any environment. Available in two versions — high or low — both stackable, Galaxy ensures practicality and space efficiency without compromising on style. Its lightweight yet durable structure makes it ideal for residential, hospitality, and contract settings, while its refined silhouette and ergonomic comfort enhance any indoor or outdoor space. A stool that perfectly combines contemporary design, everyday usability, and timeless appeal. Only available in even-numbered packs (2, 4, 6, 8, 10 & 12). Made in Italy.
