

## Lift

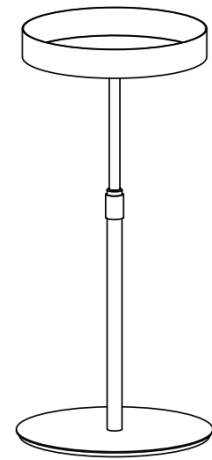

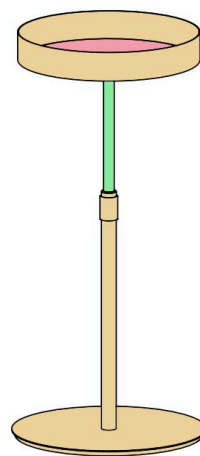

### Description

Lift is a refined and versatile side table that effortlessly adds a touch of chic sophistication to any interior. Designed with elegance and functionality in mind, it features an adjustable height system, allowing it to adapt seamlessly to different spaces and uses — from luxury living rooms to modern family room furniture settings. Perfect for pairing with other pieces from a high-end furniture collection, Lift embodies the essence of Italian luxury design, combining style with everyday practicality. Made in Italy.
