

Madison

Design: Studio Contromano

Description

The Madison bar cabinet is a masterpiece of modern luxury furniture design, where refined aesthetics meet functional innovation. Two elegant doors open to reveal a clear glass shelf, a sophisticated mirrored back, illuminated by a sensor-activated light (micro USB rechargeable) that enhances its luxurious allure. Also available in the Superior version, Madison features internal drawers, a bottle rack, and a cup holder in fine wood, blending practicality with timeless elegance. Designed to become a statement piece, this bar cabinet integrates effortlessly into luxury home furniture collections, elevating any contemporary living room with its refined character and Italian craftsmanship. Made in Italy.
