

## Sferatus

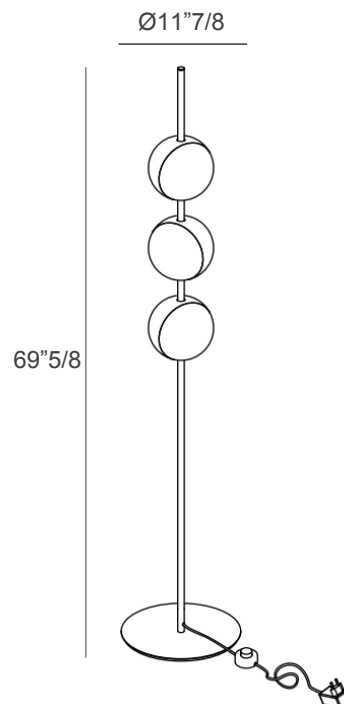

### *Description*

Graceful and contemporary, this floor lamp embodies the essence of modern luxury lighting. Its elegant silhouette features partially mirrored borosilicate glass spheres that diffuse light in a delicate interplay of reflections and shadows, creating an atmosphere of warmth and sophistication. The sculptural metal structure supports each element with refined balance, transforming light into a statement of chic, designer elegance. Perfect for luxury home lighting and high-end interiors, this luxury lighting fixture merges artistic craftsmanship with functional beauty, offering a timeless expression of sophisticated contemporary design. Made in Italy.
