

Sferatus

Description

Refined and poetic, this luxury table lamp captures the essence of contemporary elegance through its delicate silhouette. The sphere reflects and diffuses light with subtle brilliance, creating a mesmerizing play of luminosity and shadow.

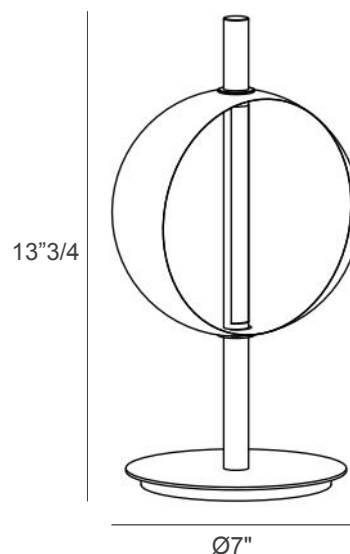

Resting on a sleek and minimal metal base, the lamp embodies the balance between sculptural beauty and functional design. Ideal for luxury home lighting and modern interiors, it enhances any space with a soft, sophisticated glow.

A true example of luxury designer lighting, it brings a chic and timeless touch to both residential and refined contract environments. Made in Italy.
