

Swing

Design: Marco Corti

Description

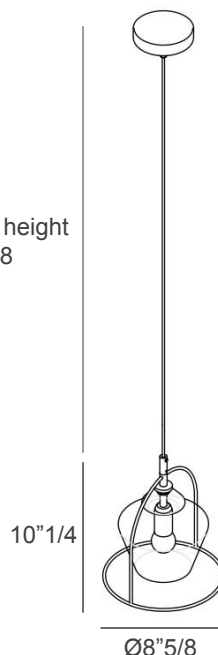

Suspension lamp designed to create a refined atmosphere through diffused light and exquisite blown glass shades. The sleek metal structure enhances the modern and elegant character of each piece, embodying the essence of luxury lighting design. Perfect for both residential and contract spaces, this contemporary lighting collection blends artistic craftsmanship with functional sophistication. Each pendant becomes a statement piece, reflecting the harmony and innovation typical of high-end designer lighting and modern luxury interiors. Made in Italy.
