

Taylor

Design: Poggi & Dondoli

Description

The Taylor desk embodies a refined balance between lightness, craftsmanship, and modern design. Defined by its sculptural metal structure and fluid lines, it exudes a sense of visual harmony while maintaining a strong architectural presence. Ideal for a reading corner, bedroom, or contemporary workspace, Taylor offers a minimal yet luxurious atmosphere, transforming everyday routines into moments of inspiration. Its versatile design adapts seamlessly to modern luxury furniture collections, standing out as a statement piece in both residential and contract interiors. Made in Italy.
