

Dusk

Description

The DUSK sectional is a premium Italian designer piece that perfectly balances luxury, comfort, and contemporary elegance. Its minimalist aesthetic and refined proportions make it an ideal choice for modern and sophisticated living spaces, where timeless design meets everyday functionality.

Designed for maximum comfort, the adjustable headrests feature a manual ratchet mechanism, allowing personalized support and relaxation. Selected seats within the compositions are equipped with motorized seats, operated through discreet push-button controls located on the outer sides of the armrests, offering a smooth reclining motion for an enhanced lounging experience.
