

Shai

Description

The SHAI lounge chair by Egoitaliano will make any living room modern, youthful, and playful, thanks to its harmonious lines and soft profile. With its rounded shapes, the seat is enveloping and enhanced by a stretch fabric that elevates comfort, blending seamlessly with the wraparound backrest that integrates the armrests for optimal support. Its distinctive aesthetic combines the rounded shapes with vertical stitching on both the seat and backrest, adding a touch of movement and dynamism, making SHAI an armchair that enhances any living space.
