

## Super G

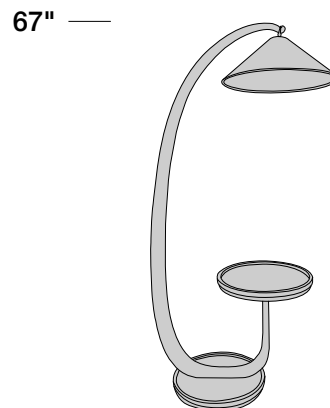

### *Description*

The Super G Side Table with Lamp is a brilliant, multifunctional accent piece that combines luxury home furniture with refined designer lighting. The sculptural, vertical form of the lamp post rises gracefully from a practical side table surface, creating a seamless and elegant unit. The entire Structure is in Wood, offering a warm, cohesive material aesthetic. Its refined profile and integrated illumination make it a perfect choice for complementing high end living room furniture. Made in Italy.
