

Callisto Brillo

Design: Carlo Ballabio

Description

The Callisto Brillo coffee table series was conceived as an elegant extension of the successful Callisto and Callisto Mix collections, maintaining their distinctive structural essence. Defined by its refined new “Brillo” lacquer finishes, this line introduces a contemporary and sophisticated aesthetic to any luxury living room setting.

The clean, minimalist lines express modern luxury furniture design, while the glossy surfaces enhance its chic and distinctive character. Perfectly balancing aesthetic refinement and versatility, Callisto Brillo embodies the timeless craftsmanship and innovative spirit of a luxury furniture brand.

Made in Italy.
