

## Cuna

*Design: Emmanuel Gallina*

### *Description*

The Cuna executive chair brings together contemporary design, comfort, and refined craftsmanship, offering an elegant and functional solution for both professional and home office spaces. Its ergonomic structure features synchronized movement, a four-spokes swivel base without castors, and adjustable seat height and backrest resistance, ensuring maximum adaptability and ease of use. The shaped backrest in solid Canaletta walnut stands out as a true design statement — its curved, sculptural silhouette flows seamlessly into the armrests, embracing the upholstered cushion with grace and sophistication. Available with a high or low backrest, Cuna embodies the essence of luxury Italian furniture, blending modern luxury with timeless craftsmanship and versatility.

Made in Italy.
