

Horn Velvet

Description

Sculpted with refined artistry, Horns celebrate the union of strength and sophistication. Each ceramic horn is enveloped in a luxe ruby-colored velvet finish, exuding a quiet opulence that transforms texture into poetry.

Presented as a set of two (small and big) these sculptural pieces create a captivating visual rhythm, their curved silhouettes evoking movement, vitality and modern allure. The deep ruby hue adds a touch of regal warmth, while the velvet surface invites a tactile indulgence that elevates any curated interior.

Made in Italy.
