

## JC-7 Isola

*Design: Joe Colombo*

### *Description*

Isola rug echoes designer Joe Colombo's aesthetic, in which a strong sense of irony smooths its almost-science fictional essence. This rug reintroduces the graphic design element visible in technical drawings penned by Joe Colombo for the Hoecht stand at the Dusseldorf plastics fair in 1970. Made in Italy.

### **TECHNICAL INFORMATION**

**Pile composition:** 100% New Zealand wool

**Height:** 5/8" (18 mm)

**Technique:** Hand Tufting

**Origin:** India

**Finishing:** Wool pile cut. The rugs are hand washed, clipped and carved.
