

Tapidrago

Design: Roberto Gabetti & Aimaro Isola

Description

Originally created on a semi-mechanical loom, the pure wool rugs revisited by Amini are hand knotted and feature a two-level carved pile. The collection is characterised by four different animal subjects: the leopard, Tapipardo, with orange color on a blue background; the lion, Tapileo, in ochre color on a yellow background; the bear, Tapiorso, in white on an ivory background; the dragon, Tapidrago, in green on a white background. Made in Italy.
