

Agatha

Design: E-GGS

Description

Featuring luxurious details in chromed or lacquered steel with various finishes and a range of covers for the seat, this stool seamlessly blends classic and contemporary styles. Its round swivel base and adjustable height, complete with a footrest, exude elegance in both residential and contract environments. The distinct vertical quilting on the upholstered back not only creates a striking graphic pattern but also enhances the seat's ergonomic comfort.

Made in Italy.
