

## Soho

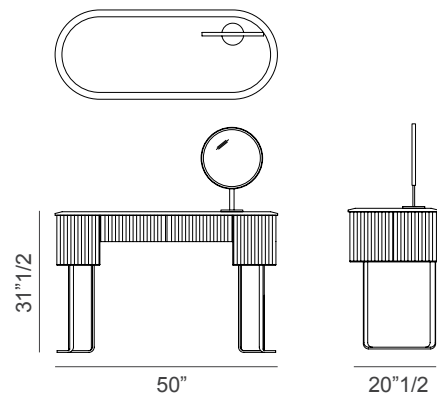

### Description

The exclusive Soho vanity features a high-end frame made of MDF and beech plywood, fully upholstered in leather, offering a touch of bespoke luxury. Its design is distinguished by its soft-opening curved sides, revealing functionality and sophistication. An elegant top, available in marble, onyx or lacquered finish, enhances the piece with a distinctive note of refinement.

A steel base provides luminosity and balance, while the matching steel mirror, completes the ensemble with a harmonious finish. The Soho vanity embodies timeless style, fine materials and meticulous attention to detail. Made in Italy.
