

Eva

Design: RedCreative

Description

The Eva armchair is a refined expression of modern Italian design, combining elegance, comfort, and craftsmanship. Featuring a rigid polyurethane shell, it is available in luxurious leather with a slim, integrated seat cushion that can be upholstered in matching leather or soft fabric for a personalized touch. Its sleek structure with four legs, covered in the same premium material as the shell, creates a harmonious and contemporary aesthetic that enhances any interior space.

Finishes & Materials
