Design: Slamp Creative Team

Light Source:

40W - 100~240 Vac/24 Vdc - 7.000 Lumen
- 3.000 Kelvin - CRI >90, Integrated LED

Dimmable: With integrated dimmer.

Soft touch dimming system

Description

Solid yet fluid, this sculptural floor lamp embodies the harmony between structure and softness. Its ethereal effect is achieved thanks to an invisible steel structure, skillfully concealed under layers of Slamp's innovative Lentiflex®, a material that transforms LED lighting into a soft, uniform, almost weightless, floating glow.

The lamp's elegant curve is inspired by the outstretched hands of Michelangelo's Last Judgment in the Sistine Chapel, capturing the beauty of movement and the dialogue between light and divinity. An intuitive touch dimming system is seamlessly integrated into the design, emitting a gentle pulse when the lamp reaches minimum or maximum brightness. Made in Italy.
