

Hugo

Design: Slamp Creative Team

Description

Hugo is a versatile technical-decorative suspension lamp offered in the vertical and horizontal versions that can be used individually or in combination to create striking visual configurations.

The fluid, organic effect of the Hugo diffuser is the result of painstaking studies conducted by Slamp's Creative Department on the optimal inclination and shape of Lentiflex®, the brand's patented material.

When illuminated, the surface captures and refracts light in a way that evokes the fascinating movement of water, producing a captivating "water reflection" effect. Made in Italy.

Dimensions

Horizontal: 39"3/8W x 3"1/2D x 3"1/2H
+ Min.: 7"7/8 | Max.: 59" of Tensors & Canopy

Vertical: 3"1/2W x 3"1/2D x 39"3/8H
+ Min.: 7"7/8 | Max.: 59" of Tensors & Canopy

Light Source:
20W - 100~240 Vac/24 Vdc - 3.500
Lumen - 3.000 Kelvin - CRI >90, Integrated LED
Dimmable: PWM, 0-10
